Colonel

Patsy Cregger

Hi gal,

Well here we are again! Another year has rolled around. It sure has been fun knowing you and being in Hymn class with you. We sure have had fun at Church affairs, haven't we? Well I hope we can keep on having just as much fun the rest of our lives, together. Remember the Penny Paper party we had at our house. Yum, eh! And also the other drives at night in the Yard? Bumpy, weren't they. Well, I guess I'd better close. So keep on being good and I'll see ya' Sunday at Church.

As friend always,

Jeanette Rakes

FOREWORD

The varied phases of our schoolwork and activities bring us into contact with many tangible things that may always be remembered.

Thus, it is with this thought in mind, that we, of the annual staff, are using the symbols of the school as the theme of this yearbook.

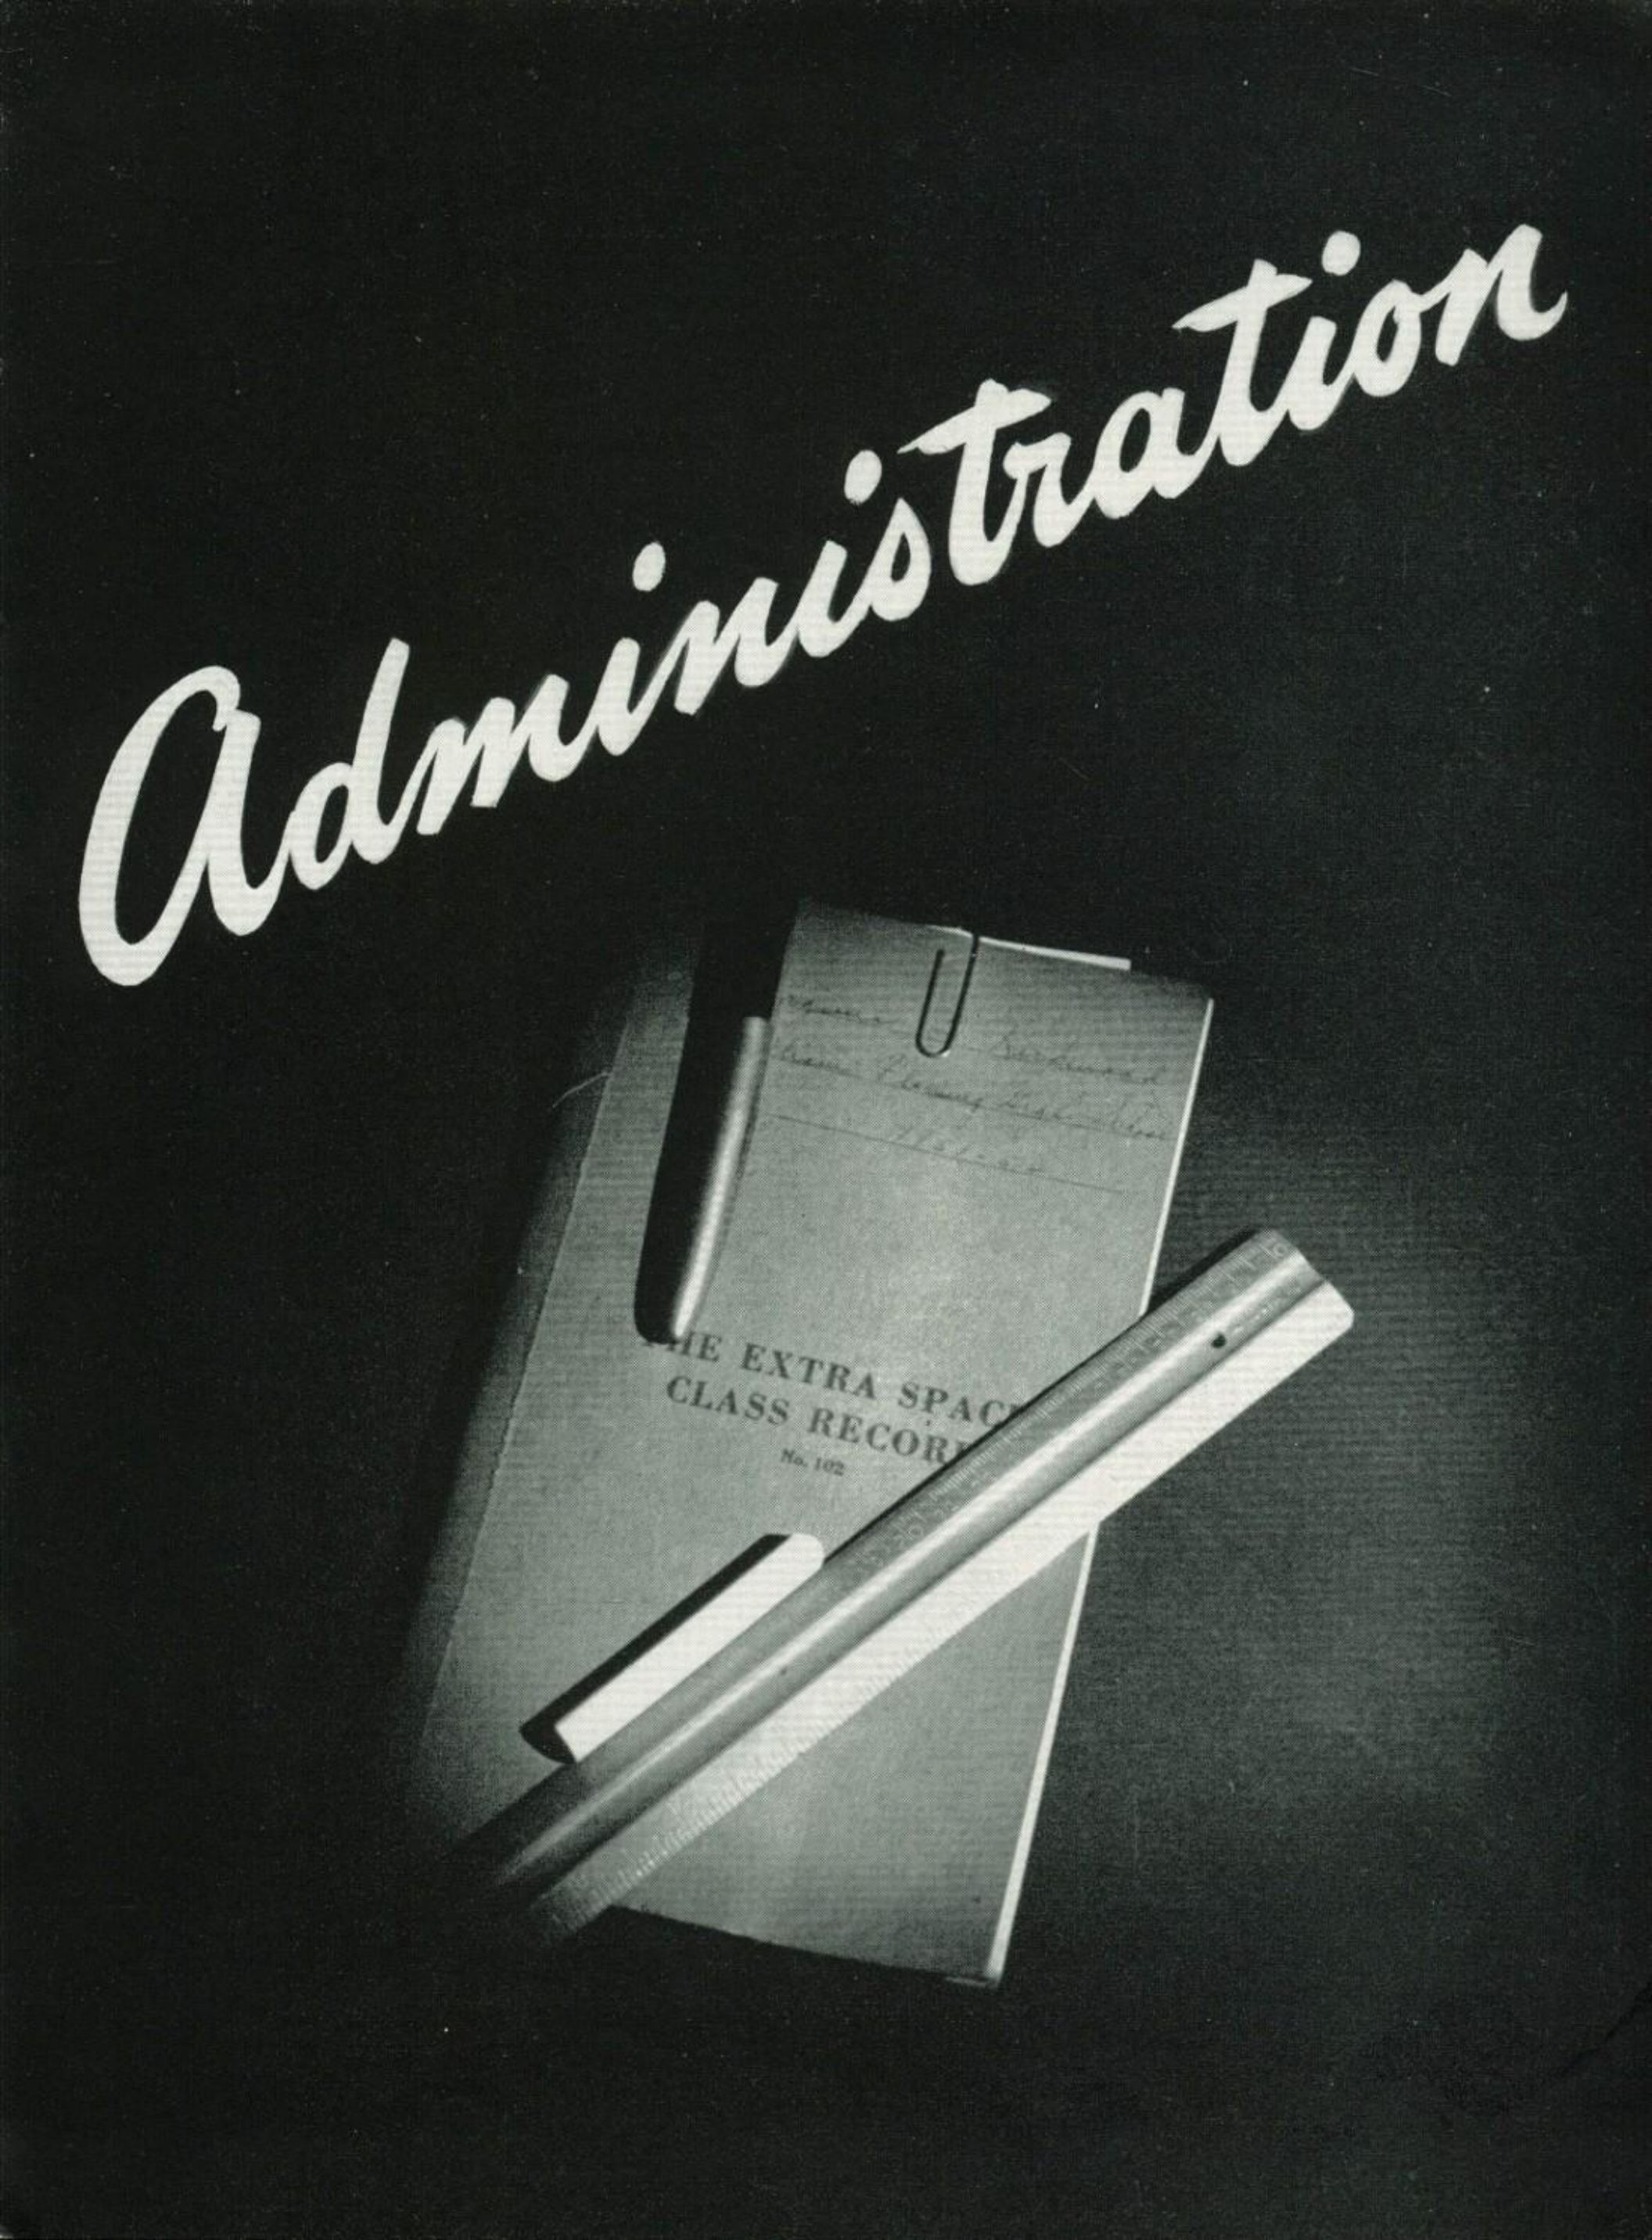
All the symbols used are self-evident and need no explanation. However, we feel the William Fleming Coat of Arms might be interpreted. The coiled serpent and scepter below it means the Flemings were of royal birth. The checkerboard indicates they were great huntsmen. Beneath the checkerboard, the figures, known as greyhounds, represent them as bold, daring, brave, and great fighters. The translation of the motto is "May the king live forever!"

We sincerely hope that in years to come you may turn these pages and kindle fond memories of your school days. We also hope that, through the medium of this yearbook, we have provided an accurate picture of typical events during the 1951-52 session.

DEDICATION

For his inexhaustible patience; for his understanding of the goals we are trying to attain in life and his sound advice towards the accomplishment of them; for his help in doing any task requested of him; and for his never-ending assistance with the photography problems of this yearbook, we dedicate the 1952 COLONEL to Mr. Tom Dixon.

Administration



THE PRINCIPAL

MR. COULTER:

Through your understanding and appreciation of our problems you have endeared yourself to the faculty and students of Fleming High.

Your task of working with over thirty faculty members and planning a satisfying program for six-hundred hard-to-please students is no easy one.

We feel that we are fortunate to have you as a guide, counselor, and friend.

THE STUDENTS

STUDENTS:

Working with the faculty and students of William Fleming High School is a pleasure. There are moments when things get trying, but successful termination of a program compensates for the rough spots in it.

If I can be of any service to you in the future, either in an individual sense or as a group, don't hesitate to call on me.

I shall always follow you with interest and would appreciate your keeping me informed of your progress in living.

May the future hold much for you and may God bless you on your way.

W. A. COULTER

Very best wishes, Patsy
V. Boyd

We, the Annual Staff of 1952, have endeavored to produce for you the best yearbook ever. We have tried to include in it a scene from every phase of school life. We hope that this Annual will indeed be a treasured possession this year and the years to come.

Publishing this Annual has meant hard work for all of us with an equal amount of fun. First, there were advertisements to solicit, subscriptions to get, and then material to gather. We are proud of what we have accomplished as we realize it was well worth all our efforts.

It is our desire that you will enjoy this book as much as we have enjoyed working on it.

SENIOR CLASS OFFICERS

All good things must come to an end. And so it is with our five years sojourn at Fleming, which has been a pleasant, enjoyable, and memorable one.

Our fond memories of our Senior year will never fade—Senior Day, the Capping, "One Foot in Heaven," assembly programs, dances, the banquet, Baccalaureate and Commencement were all rich and happy experiences that shall always remain a part of us.

We have a deep feeling of gratitude and appreciation for our beloved sponsors who have by their untiring efforts helped make our Senior year so pleasant. To them and to the other faculty members we give our wholehearted and sincere thanks.

Reluctantly we depart, but there are greater tasks to be done. With a feeling of determination to succeed, we face the future realizing that a foundation for our achievement was laid at Fleming.

We met at William Fleming in 1947, we the Senior Class of '52. We started out feeling very humble and inferior, but set out on our five years' journey with high hopes. We made a good beginning

Then came our Junior Carnival with the Mardi Gras theme, and our Junior Class Play, "Pride and Prejudice," the Christmas Dance with "Silver Bells" as the theme was a large success. But

most exiciting of all was our traditional and colorful Junior-Senior Prom. As a class, we really got into full swing during our Junior year which we regretted to see end. Bob Cruickshank served us as class

CLASS CHRONICLES

Now the history of the Class of 1952 of the William Fleming High School of the City of Roanoke, County of Roanoke, State of Virginia, is in this wise:

In the beginning, in the 1948th year of our Lord, in the ninth month, and on the fifth day of the month, there entered into this Land of Learning, 120 seekers of knowledge. Some came up from the Eighth Grade, where they had for months been busily engaged in storing their minds with the honey of wisdom; some were green and fresh from a far country; some came from farms, where they had been tillers of the soil; and some came from other halls of instruction.

Likewise it came to pass also that they were received with malicious glee by a certain band of wild beings who were called Sophomores, and who because of their fierce taste for Freshman blood, did pounce upon them daily and nightly, and did cause them to suffer great things, and to say in their little hearts:

"Behold blessed be the name of Education, for because of it have we endured great torments, both of the body and of the mind. Verily have we been martyrs to its great and noble cause."

And as they dwelt long in the land, they fell in with the customs of the inhabitants thereof, and their strangeness wore away, and they each became as one among the rest.

Now it so happened that this land to which they had come was ruled over by one known as Mr. W. A. Coulter, a principal of much wisdom; and at the beginning of the second year, he spake unto them, saying:

"Go, gather ye in a body, and organize yourselves into a class, that ye may gain in strength, and that your courage may wax strong."

And as he spake unto them, so was it done, and they chose a leader, and called themselves with much pride, the Class of '52.

But it came to pass that the Class of '52 found favor in the eyes of this wise and worthy principal and success looked fair before them, and they were much glad.

And the whole number at the end of the second year was 111.

In the third year a great cry went up from the throats of the Class:

"Lo, it doth happen that those above us, the seniors, are to graduate after many days. Therefore, it appeareth that there is much need of many dollars wherewith to provide the song and dance thereof."

And so, thinking these things, the Class made a feast and the public was bidden that money might be brought into the treasury, and the coffers be filled.

And lo, great crowds did come to a feast, and much money was taken into the treasury. And they called its name a Carnival.

And behold, it did likewise come to pass, at about this same time, that the Class did aspire to dramatic honor, and did present to the people a great and wonderful play "Pride and Prejudice," wherein each should act what he was not. And when it was finished, the multitude did cry out in their hearts, "How grand and wonderful this thing which ye have done." And the heads of the Class did become swelled to their fullest capacity of the praise they did receive for the great performance they had done.

Now, when the six-and-twentieth day of the fifth month of the year of '51 was fully come, this Class did give another great feast, and did send messages over all the land, east, west, north, and south, to all the Seniors thereof, saying, "Come ye and make merry with us; for the Class of '51 is to depart to a far country, and all things are now ready for a feast."

And so they in large numbers to the place did come, and did dance to sweet music, and did rejoice with the Class of '52 of the good fortune which had come to them, in return for all their long and patient laboring at the tasks that had been set before them.

Now this, the fourth year in the history of this great and wonderful Class of '52 has been one of much hard labor, and but little resting by the wayside; for preparations have been making ready for them to take their final departure from the land. Dick Townsend leadeth them in the right paths of learning.

Then it straightway came to pass that upon sheets and sheets of paper, the members of the Class began to write down the greatest and most wonderful of thoughts, such as no one ever had thought before since the beginning of the world, that the people who should come unto them to listen unto words of deep scholarship upon the night of their Commencement should not need be turned away in disappointment.

Now one of their advisers, Mrs. Mason, being herself wise in the ways of the world and of women, spake very gravely unto them, saying, "Let your essays be of silk, even though your dresses must be of cheesecloth." But they opened their mouths and answered her saying, "Nay, both shall be of silk. We shall rent robes from Oak Hall." And as the prophesied, so was it done, even as they had said.

So it has come to pass that of the 120 that entered this land in '48, only 98 will depart, for verily, verily I say unto you, that broad is the gate, and wide is the way that leadeth to the William Fleming High School, and many there be that go in; but straight is the gate, and narrow is the way that leadeth to graduation, and few there be that find it.

Four years hath the Class of '52 sojourneyed in the land, and gathered in large portions the fruits from the Tree of Knowledge. But it is written, "In the day when ye shall have eaten of all these fruits, ye shall surely be driven forth from the land." Now, I say unto you, they must depart thence, to go each a separate way, to lands they know not of, to do they know not what.

JUNIOR OFFICERS

The Junior Class activities for the year opened with "A Womanless Wedding" which was presented as an assembly program.

In December we gave the Christmas Dance with "Christmas Wonderland" as the theme. Peggy Ramsey was crowned "Holly Queen."

On the Ides of March the annual Carnival took place with much gaiety.

The beautiful and traditional Junior-Senior Prom climaxed our yearly activities.

Best of luck

GLIMPSES OF THE Y-TEEN BAND WAGON

During Y-Teen Roll Call Week, 208 Fleming girls hopped on the "Y-Teen Band Wagon" to ride through a year filled with activities of fun, fellowship, and serious thinking.

The wagon paused in December to celebrate the Senior Club's Fourteenth Anniversary and again in February to cut the cake with ten candles for the Junior Club.

The Senior Cabinet sent the "Ole Grads" off with a tea in their honor held in the Casual Corner of the Y. W. C. A. Other social events, such as banquets, were held at the "Y" this year, which helped to strengthen our interest and association with this world-wide organization of which we are a part. It is a privilege and a joy to Fleming girls to work with the Y. W. C. A. We are grateful to have been able to help with the Conferences, the Annual Meetings, Open House dances, the Hanging of the Greens, the Variety Show, Roll Call Week, during which we had five floats in the Y-Teen parade, the Washington Trip, and other "Y" activities. It was our honor to have had Beverly Rakes serve as president of Inter-Club Council.

The clubs have sponsored joint projects, such as the Annual Reception, Recognition Service, Fashion Show, Amateur Show, Christmas Pageant, Holy Week Services, May Day, Dad-Daughter Dinner, Half-Day Conference, Junior Mother-Daughter Banquet, Shower for Y-Teen Daughters, Officers' Training Clinic, and many service projects.

The Y-Teen Choir offered many girls an opportunity to take a big part in Y-Teen programs, for it, under the capable direction of Anne Henry, has sung for programs at Fleming, the Y. W. C. A., and various churches.

Fleming officers always enjoy cabinet meetings, for it is there that they do much planning and also have good fellowship. This year, in order to do long range planning, the officers enjoyed a Retreat at Camp Kiwanianna. To add variety to our cabinet meetings, but more to express our gratitude and appreciation to Miss Self, our Y-Teen Director, each cabinet presented her with a shower of gifts when she moved into her apartment.

Speaking of showers, we had fun presenting Barbara and Margaret McGinnes and Sandra Green, our Y-Teen daughters from the Baptist Orphanage, with gifts at Christmas, Valentine, and Easter. Other service projects have been: Thanksgiving tray favors for Roanoke Hospital and Christmas favors for Catawba Sanatorium, and a Thanksgiving basket for our Custodian and friend, Mr. Wilkes.

Because it takes much money to run two large clubs, our Ways and Means Committees were on the alert. This might have been called the "Velvetouch Shampoo Year," for by selling this we presented the school with a forty-eight-cup coffee urn.

All in all, it has been a lovely ride on the Y-Teen Band Wagon, pulled by Miss Morris, Beverly, and Priscilla with big pushes from cabinet and club members all the way through 1951-52.

FOOTBALL HISTORY–1951

William Fleming..... 0 Jefferson..... 6

The rival teams of Roanoke City clashed again in the annual Sand-Lot Benefit game. A crowd of 8,500 saw the Colonels take a heart-breaking loss at the hands of Jefferson. The strong line of the Colonels and the alertness of the backfield held the Magicians to a 0-0 tie until a pass set up a touchdown for Jefferson. The extra point was short of its mark.

The second period brought more action from our team which pushed to the 25-yard line of the Magicians, but lost the ball on downs. According to the coaches' opinions, the game was one of the closest.

The Colonels came closer to winning the annual game this year than any time in recent years.

William Fleming..... 0 Virginia High.....13

Our mighty Colonels were not so mighty with the Virginia High Bearcats. We again were set back by a good team. As a team the Colonels looked sluggish, and did not work together on offense. The Colonels outweighed the Bristol team, but we were downed by a scrappy team which out ran the whole team.

William Fleming.....26 Radford..... 0

The Colonels came back into the winning column by whipping the Bobcats of Radford 26-0. The first half was deadlocked at 0-0. In the first half, penalties prevented the powerful Colonels from scoring. Our team made its first score of the season in the third period after a 98-yard drive. The next score came when the Colonels recovered a fumble, and then marched down the field for another touchdown. The rest of the Fleming score came in the fourth quarter.

The biggest threat, that the Bobcats gave, came in the third period when a fumble was recovered on the mid-field stripe. A pass to the 30-yard line was thrown. Several runs drove the ball to the 10-yard line where it was bogged down. We took over on downs.

As a whole the team played a good game together. This was the first time they had done so this season.

William Fleming..... 6 Wytheville..... 0

The Colonels came back in the last quarter to win a hard District Six contest. The Bulldogs gave their most serious threat early in the fourth quarter when they went to the 10-yard line.

Our scoring opportunities were numerous but none were capitalized. The Colonels score was set up by a 25-yard runback of a punt. Then six plays later we scored on a line plunge. This game made our district record 2-0.

William Fleming.....19 Andrew Lewis.....14

This game was marked by several injuries on both teams. The Colonels were "steamed up" for this game since the Wolverines were favored to win. The game was probably the hardest fought and the roughest in the local circles for many years.

The Wolverines were the first to score on a fumble on our own 15-yard line. The extra point was good. After intermission our team scored from a long drive. Andrew Lewis came back with a reverse pass to tally their final touchdown. A penalty set the Wolverines back to the 1-yard line and the strong line that had been weak prior, raised up and blocked a punt which was recovered in the end zone.

This was a game of penalties and injuries which was brought about by aggressiveness.

William Fleming.....25 Martinsville..... 7

The home-coming spirit was in the Colonels, for they rolled over the strong Martinsville team with impressive power.

The first time the powerful Colonels got their hands on the ball, a 95-yard drive was scored. The extra point was low. The second score was made on a pass but again the extra point was no good.

At the end of the half the score was 12-0. Both the Bulldogs and the Colonels returned to the field after the half with a lot of spirit. The first time we got our hands on the ball, we scored on two plays. The third score came when we intercepted a pass which set up our final touchdown. Martinsville made their score on a fumble dropped on a kick. The ball carrier ran 45-yards on the play. Fleming won another home-coming game.

William Fleming..... 6 Pulaski.....28

The outcome of this very important game of the District Six would determine who was the best team in the District.

Pulaski started quickly at the kickoff by scoring on five plays. The extra point was scored on a fake kick which was passed instead. Their second touchdown came after a drive which reached pay dirt on a line plunge. The Colonels came back into the game in the second half by receiving their ball on the 15-yard line on the kickoff, passed to the mid-field stripe. After several nice runs to the 8-yard line, we made our only score. The extra point was tried by running the ball, but it was stopped at the line of scrimmage. Our only other threat came in the fourth period when we passed out from the 10-yard line to the 25-yard stripe and was run all the way. A personal foul was called against one of the Colonels which nullified the play. The Orioles then got a safety when the ball carrier was tackled behind the goal.

This was the first and only defeat in the District for the Colonels.

William Fleming..... 6 Henderson.....21

The team that could combat the mud would be the winner. The field was covered with water from one end to the other. The Colonels held the Bulldogs of Henderson 7-6 at the half. Both teams were wet and cold.

The second half made the difference in the score. The pay-off came in the fourth period in which the Bulldogs made two touchdowns, one of which was from the 5-yard line and the other after an intercepted pass set up the third score. The Colonels scored their touchdown on a pass play in the closing minutes of the first half.

William Fleming..... 6 William Byrd..... 0

The old rivals of Vinton and Williamson Road clashed in the cold night air. For three quarters the Colonels clashed with the Terriers in a game which the outcome might become a deadlock. But in the fourth period, we took the ball to the 22-yard line of the Terriers on an attempted pass play which was run instead. We had three chances to score, but we either lost the ball on downs or fumbled the ball and Byrd recovered. The only scoring chance the Terriers had was in the second period when we tried a fake kick, and on a hand-off the ball was fumbled and Byrd recovered on the 32-yard line.

This game saw many fumbles caused by the cold hands of the players. The game, as a whole, was slow and lacked color. Although both teams played their hardest, they didn't play the game that was expected of them.

William Fleming.....42 Blacksburg.....13

Touchdowns in each quarter gave us the lopsided victory over the Blacksburg eleven. The strong Colonels cleared the bench of reserves in the first period. The coach didn't use the regulars until the last period in which they made a touchdown in three plays from our own 34-yard line.

The Colonels ran up a score of 28-0 at intermission time. All the extra points were scored.

GIRLS' SPORTS

GIRLS' SPORTS

"My back is killing me!"

"I'm so sore I can scarcely breathe, much less walk!"

And so the year began in gym class. Exercises first—just to show us how many muscles we have that we seldom use.

But the exercises and the soreness soon wore off and we went all out for a series of softball games before the Weather Man drove us indoors.

Volleyball came next with a round-robin tournament in gym classes with each team out to win over the other. Class champions were declared, and these two teams fought it out in an activity period game for school championship. The team, captained by Margaret Brown from third period class, won this distinction. The Girls' Gold Volleyball team won the Sportsmanship Trophy for the first time. This trophy is given by the City Recreation League.

Basketball season came next with the best participation the girls have yet had in class in this sport. Before the season was over, each team had played fifteen games. This round-robin tournament in each class for the class championship was hotly contested. The season was climaxed by a good fast game between gym class teams for the school championship. The team captained by Eleanor Dye in the fourth period, won this.

Following basketball came paddle badminton, which was worked in the same way as other sports with round-robin tournaments.

Since the robins are a sure sign of spring—so is softball, and we took to the field with a right good will. When the score was a bit close, what did it matter if it rained a little or we slid about in the mud? After all, it all went with earning the coveted points for G. A. A. numerals or letters.

Last year the Girls' Athletic Association was so new an organization we did not know how successful it would be. This year we can unreservedly say that it is a success. More girls than ever before are taking an active part in class work and extracurricular activities, squeezing every possible point out of everything. Four girls, Peggy Lou Bower, Margaret Hartsel, Mary Ann Wilson, and Nira Mathena have earned their F's and Peggy Lou and Margaret have added a star apiece to theirs. Many other girls have earned their class numerals. We hope to have even more to earn letters, stars, and numerals next year.

The fifth annual May Day was held May 2, 1951, on the Fleming lawn with Jeanette Semones, crowned Queen by Jimmy King, President of Senior Hi-Y. Betty Zimmerman served as her Maid of Honor, while Dot Wilhelm, assisted by girls from the Physical Education Department presented a program of music and dancing for the Queen and her court. David Townsend narrated for the Festival with "World Fellowship" as its theme.

The Y-Teens express appreciation to the Fleming Choir and Y-Teen Choir, both directed by Anne Henry; Mr. Berwald and the Fleming Band; Mrs. Boyd and Miss Morris for a lovely May Day.

The *Fleming Flash* is the voice of the student body. The *Flash*, a weekly newspaper, is published by the members of the journalism class. Through its pages the students may speak opinions in editorials and forum letters; they can keep abreast of school activities; they can learn news of alumni; and, on the lighter side, they can laugh at themselves through the cartoons and the joke column.

Last year, the *Flash* won the First Place award in the duplicated class at the S. I. P. A. convention at Lexington, Virginia. This was the third First Place Award granted to the newspaper during the past six years; in addition, there has been one Honor Award.

Representatives attended the S. I. P. A. Conference.

During the year several dances were held during activity period. A spring staff outing was enjoyed by all.

The Student Cooperative Association, sponsored by the P. T. A., serves as the coordinating head of all club activities and major school projects. Every student is a member.

The council is composed of all club and class presidents, home room representatives, and S. C. A. officers, elected annually by the student body. The council meets monthly and the officers preside at the assembly each month.

To start off our '51-'52 school year, the S. C. A. had charge of the first assembly and presented "Previews of Coming Attractions"—the different clubs and the purpose of each one. Then we held a tea in October for the teachers at Mrs. Painter's home. The S. C. A. was responsible for the purchase of a new microphone for the school in place of our old squeaky one. We conducted the March of Dimes Campaign at Fleming and continued to expand our Flower Fund.

One of our annual projects is the filling of Christmas baskets for needy families. This year Fleming filled twenty-five baskets which were presented during a very inspiring Christmas assembly program. This wonderful contribution made every one of us proud.

Another big project we undertook was the publication of Student Handbooks. These books were prepared for the general information of both the old and new students.

In place of the Sweetheart Dance, this year the S. C. A., along with the Senior Masque and F. H. A., sponsored a "Spring Formal," complete with orchestra.

This has proved to be a very active year for the S. C. A., but it would not have been possible without the whole-hearted support of every student and the wonderful guidance of our sponsors, Mrs. Painter and Mrs. Gustin.

Our Council is made up of representatives from each home room. At our first meeting the officers were elected.

Early in the fall our membership drive was launched, resulting in full enrollment for each home room.

This year our Council planned a special project for each month of the school year.

We filled Christmas stockings, took comic books and magazines to the Veterans Facility, and gave a party for the patients in one of the wards. We also gave two programs for the patients.

Council members helped label blood containers and assisted in the preparations for the Senior Red Cross Drive.

We have used our service fund this year for contributions to the overseas school chest and for the part which we gave.

A special honor came to us when our Chairman, Carol Bower, was elected President of the City Junior Red Cross Council.

The Hi-Y had its first meeting in the fall at the Y. M. C. A. with its new president, Ray Lucas, presiding. In November the induction service for the new members was held at Northminster Presbyterian Church. It was held during the regular evening Church service and was very impressive. Besides the two monthly meetings at the Y. M. C. A. the Hi-Y carried on many other projects. It delivered the baskets at Christmas and checked cloaks at the Christmas Dance. On the social side there were the Father-Son Banquet and a Hi-Y outing which were enjoyed by all.

The Junior Hi-Y for the second year at William Fleming has done well under the expert leadership of Mr. O. S. Garber, faculty adviser.

The club consists of approximately thirty members from the eighth, ninth, and tenth grades.

Besides the meetings at school, the club had regular meetings at the Y. M. C. A. three times each month.

One of the main projects for the year was the cleaning of Colonel William Fleming's grave. To do this it was necessary to clear away the honeysuckle and bushes. A seed bed was prepared and grass sown.

Our money-making project was collecting magazines and cardboard. During the spring, on several Saturdays, old magazines, papers, and cardboard were collected and sold.

The F. H. A. started their yearly activities early with a rummage sale in August. September brought the beginning of school with all the club members busily engaged in starting the year out right. The first meeting was held in October, with several new girls interested in F. H. A. work. In November candy was sold to the students after school, two or three days a month. December brought Christmas, with the girls bringing clothes to be given to a welfare agency.

The new year brought the pins for new members, and guard pins for old members. Club activities for the spring, such as an outing, attending the Spring Roanoke Area Federation Meeting, and joining the S. C. A. for the Spring Formal, were all very successful.

Lots of luck to a real cute girl.
Be good and I'll see you next year.

The purpose of the Library Club is to interest students in reading and library work as a career.

The club is composed of members from the eighth through the twelfth grades. The Junior Club is made up of eighth grade members, and the Senior Club is composed of ninth through twelfth grades. The members serve as student-assistant librarians and are members of the Roanoke City Library Club.

Monthly meetings are held by each club in which members take part on the programs. The club visits the Roanoke *Times* Office and The Stone Printing Company each year to see how books and newspapers are printed.

Socials and picnics are held during the year. One of the highlights of the year is the Roanoke City Library Club picnic in the spring.

The Beta Club has had a good year. The club sponsored two assembly programs. The annual Beta Club Minstrel was given early in December. All members of the club took part in this production.

The club also sold football programs for the home games. The proceeds from this project plus those from the minstrel were used for our scholarship fund.

This year the scholarship was awarded to Amaryllis Maxey, a student at Lynchburg College, and to George Pugh, who is studying at Virginia Polytechnic Institute.

We held our first night meeting of the year at Oakland Baptist Church in the recreation room in February.

The outstanding social activity of the Beta Club was the Beta Club Dinner which was held at the Masonic Hall in April.

Bob Oliver and Peggy Bower as president and secretary-treasurer have done a good job for the club.

A dream of commercial students and commercial teachers at Fleming came true late last fall when the Commercial Club was organized.

The Club's purposes are to create more understanding and interest in choosing business occupations, to encourage improvement in scholarship and promote school loyalty, to develop competent, aggressive business leadership, and to strengthen the confidence of commercial members in themselves and their work.

Membership is open to all students at Fleming who are enrolled in at least two commercial classes.

Besides the regular monthly business meetings, the Club has had guest speakers and has taken several field trips.

The students are showing much interest and enthusiasm towards this new organization. We expect it to grow and serve Fleming along with the other clubs.

"Continued interest and participation in community dramatics" was the theme of the Senior Masque for the season. President Mary Ruth and her very large group of interested dramatists joined the The spians in sponsoring "Seventeen"; the Senior Play, "One Foot in Heaven"; the tournament play, "Parting at Imsdorf" and the Spring Speech Class play. They helped Roanoke Merchants usher in the Christmas season by doing the make-up on the clowns and other actors in the huge Santa Claus parade. They took part in radio skits at the local stations. They heard several Roanoke drama experts at their monthly meetings.

They were delighted with the news from Hollywood that one of their former Senior Masque members, Ken Herman, was playing second lead in the romatic "Condor's Nest" and had finally "arrived" in his chosen vocation.

As The Colonel goes to press, the Masquers are making plans for a swimming party and picnics in the late spring.

Thespian season, 1951-52, has been studded with many highlights.

September ushered in an assembly with the Dramatic Calendar. October saw the Thespian officers troupe "backstage" between acts of Barter's "Merchant of Venice" to join President Wayne Zeigler in initiating Bob Porterfield into the troupe as an honorary member. October saw the members bring two nights of hilarious entertainment to Fleming with their fall comedy, "Seventeen." November brought their serious assembly, "Democracy and the Zero Hour," which paid special tribute to Fleming's war dead. December saw Thespians acting as backstage helpers and assistants to the eighth grade Christmas assembly, "Christmas Carol." January ushered in the dance and party at Barbara Black's home. February found the dramatists choosing and rehearsing their tournament play, "Parting at Imsdorf," with Anne, Wayne, Dick, and Hunter winning the coveted roles.

There was an invitation to the Regional Dramatics Arts Conference at Reading, Pennsylvania; there were high hopes of going to the National Thespian Conference at the University of Indiana; there was special emphasis, bulletin boards, and displays on "International Theatre Month"; hopes for an eleventh district win with "Imsdorf" and who knows?—even a "distinguished" at Virginia.

The troupe tried to hold its January meeting on the stage of the old Academy of Music, but building inspectors said it was too dangerous, so the Thespians posed for a last picture in the old Academy stage door. They have been made custodians of the Academy Scrap Book containing many old programs and scenes, some dating back to 1891.

Fleming's Literary Club adds much to the literary, forensic, and dramatic fame of our school by sponsoring and encouraging the Virginia High School League's literary and forensic program, the Junior Chamber of Commerce "I Speak for Democracy" radio speaking contest, the American Legion oratorical contest, and many other civic speaking and writing projects.

This year we are proud to acknowledge several who have brought acclaim. Paul Iddings' Poem, "Theater Slavery," has won an honorable mention in the Virginia Highlands Art Festival; Peggy Lou Bower and Joyce Clingenpeel won second and fourth places, respectively, in the "I Speak for Democracy" contest; Peggy Lou won a city, district, and state championship with her speech on the Constitution.

The large number of prospective debaters indicates the interest created by the State Championship wins last spring for David Townsend and Ludwell Newman. Hunter Akers and Dick Townsend brought in a district win in debate and Rosalie Turner won a district plaque in poetry reading.

We hope, as we enter into the full swing of Literary season, that we can keep the fine record made by those who have graduated and add more championships and more plaques to our rapidly growing number.

This year the Band, under the direction of Mr. Berwald, received much more recognition than in previous years. New uniforms were bought by the school board and Band Parents' Club. These helped in the appearance and morale of the group.

Before the uniforms arrived, however, the William Fleming High School Band was making public appearances. We played at most of the home football games, traveled with the team to Pulaski for the deciding game of District Six, played for assemblies and the P. T. A., gave concerts at the other high schools and junior high schools in the city.

The year was climaxed by the Second Annual Band Concert held March 21. The band members were then given an outing by the Band Parents' Club in appreciation for the concert and the hard work of the band throughout the year.

Some of our members participated in the All-State Band, while the rest of us helped as hosts for the out-of-town members.

Best of everything to a swell girl, "Gillie"

The William Fleming High School Choir has completed a very successful year. Under the direction of Mrs. Betty Key, the choir helped in the production of the play, "Seventeen." Also, under her direction, we gave a program of religious numbers at Bethany Christian Church, and a Thanksgiving Program for the P. T. A. in November. Mrs. Shober directed us in our Christmas program at First Baptist Church, at Jefferson High School in the carol singing, and our Christmas assembly with the eighth graders. Part of the choir went to the Veterans Facility on December 21 and offered several Christmas carols for the patients.

At mid-term Mrs. Webb returned to Fleming as the choir director. Under her direction we sang for the World Day of Prayer at Huntington Court Methodist Church. Then there were all of those wonderful choir trips when we sang at other high schools in this vicinity. The Spring Concert was an inspiring summary of all the choir has done this year. Our final program was at the Commencement exercises.

Sadly we turned in our robes, but we are looking forward to the choir next year.

Football and Basketball

A monogram will be awarded to the boys who have three-fourths of the possible number of points.

1. Ten points for each quarter
2. Ten points for each previous year of experience
3. Ten points for participating in the first game
4. Twenty points for participating in the last game
5. Five points for each practice attended

Wrestling

A monogram will be awarded to the boys who wrestle in one half of the possible number of matches.

Track

A monogram will be awarded to the boys who win first place in the district or state meets.

The first full year of existence for the G. A. A. has seen many more girls taking an active part in gym class work as well as extracurricular athletics.

The Recorder of Points has had a real job on her hands as girls have earned points for everything they could toward the coveted class numeral and F. Five hundred points are required for the F and only a few girls have been able to accumulate that many thus far. A fairly good number have earned their class numerals, however, after turning in the required two hundred points for them.

The biggest single project the G. A. A. undertook this year was that of helping a needy family at Christmas time. A big basket containing staple and green groceries, canned and fresh fruits and vegetables, cereals, milk and meat was given to an old couple along with a substantial cash amount.

We are a new club but one that is growing rapidly and we hope in another year to be twice as large and twice as active. Ours is a club to which more than half the girls in school could and should belong.

The G. A. A. fosters good sportsmanship and good fellowship among the students, especially among the girls.

No, this really is not a Junior Squad even though six of the nine have served as Junior Cheerleaders. Because of that experience, this squad has been thorough, alert, and full of pep.

Perhaps this was the first Fleming squad to have had "out-of-state" experience. We shall never forget the wonderful trip to Henderson, North Carolina, and the friendliness of that town. The trips, the parties, and food were enjoyed and will afford pleasant memories.

Early in the summer, Betty Anne started practices and had the squad in good shape for the first game when we met a city rival. Because of the leadership, friendliness, and good nature of the head cheerleader, this squad has been a success and the members express their thanks to her.

The teams really gave the squad something to yell for and the close basketball games were almost too much.

The squad is grateful to the boys for playing so hard and being good sports, whether they won or lost, and to the students and faculty for such loyal support.

We want to thank our sponsor for her wonderful guidance and advice. We shall never forget her or the fun that we all have had.

JUNIOR CHEERLEADERS

OFFICERS

PEGGY MURPHY.....*Head Cheerleader*
MISS THELMA MORRIS.....*Sponsor*

This year will mark the fourth consecutive year that Fleming has had a Junior Cheerleading Squad.

We have yelled for the Junior Varsity football and basketball teams as well as giving our support to Varsity.

During the summer we worked hard getting ourselves ready for another season of cheers and excitement. We want to express our many thanks to Margie Blevins and Betty Doyle who patiently taught us all of the yells and school songs.

After we had practiced and practiced, we found ourselves back at school and getting ready for football. It was fun yelling at these games, and we really learned the true meaning of a good school spirit as well as sportsmanship and fair play.

The basketball season was a real joy, as the Senior Squad gave us full support and cheered us on our way to victory. Miss Morris was one of our best supporters, and we want her to know how much better we felt as we looked up into the stands and saw her smiling face. She had been patient and understanding with us as well as being a grand coach.

As we look on this year, we will always remember all of the good times we've had together—eating with the Senior Squad before the Jefferson-Fleming game, Home-Coming, the assemblies, Christmastime when we exchanged gifts and ate at the S & W, plus all the trips.

We hope the teams have enjoyed us as well as we have enjoyed yelling for them. To all of the students and parents, we want to express our sincere appreciation for your support.

Last, but not least, the squad wishes to say "A Big Thank You" to you, Peggy, for doing so very much for us.

THE SHOW IS ON! . . .

"Places!" . . . Props ready? . . . Lower the houselights! . . . Bring up the footlights! . . . Curtain! . . . and illusion comes to life as another play is offered by the Fleming Players.

For the few the smell of grease paint is sweet and means a part in one of Fleming's plays or on the makeup crew.

For the many who work backstage, the smell of water paint is much more familiar and just as exciting!

Applause from the filled house is good, but other things will be remembered by those who work with dramatics here at Fleming.

The search for washboilers, a proper Flopit, and clothes wringers for "Seventeen," the lighting and effects in "Christmas Carol," the portrait, the bassinet, the frantic haste for "change of scene" in "One Foot in Heaven;" costumes, lighting, and the altar for "Parting at Imsdorf" . . . the filled house for every production . . . the good times and fun all added up to . . . another good season for the Fleming Players!

THE SHOW IS ON! . . .

Our Troupe celebrated International Theatre Month by a radio program dedicated to world peace and world understanding through the medium of drama. We feel that our Festival play, chosen from a list submitted by ANAT was very fine in teaching international understanding and tolerance, follows closely the requests from UNESCO that high school students do their part through plays, music, speeches, and programs to promote and encourage better understanding and more tolerance among the races of mankind.

THE SHOW IS ON! . . .

There was much interest during the season in the possibility of a trip to the National Thespian Conference in mid-June. As THE COLONEL goes to press, a final decision has not been reached. Our Troupe feels honored, however, that it has been asked to present a one-act play, if we do get to send a delegation. We are working toward that . . . and hoping.

Each spring the Speech Department presents its annual play, usually some time in May.

Last year, "And Never Been Kissed," an unpublished play by Verne Powers was given and a contest conducted to select a new name for the play, at the author's request.

The Speech students are at present busy looking over scripts and casting favorite glances toward "Lost Horizon," "Men Are Like Streetcars," "January Thaw," "Seventeenth Summer," and "Meet Corliss Archer."

are these "the best years of your life"?

Parents often say they are, but there can be plenty of good times ahead.

Especially if you get a good job, doing interesting, important work with the kind of people you love to work with. Many high school girls find exactly that at the telephone company, after graduation.

So when you finish school, stop in and see us. You'll probably find a job you'll really enjoy at good pay with regular raises.

Dear Patsy:

Well, here we are at the end of our book year. It sure is hard to realize that we only have two more years. I'm glad though, it is almost over. No more homework for one thing. always remember our dances together this year especially yours and the way we always get our g taking. Have an early schedule. I'm certainly not going to have it again next year. It's almost done because we can't eat until lunch period!!!??? Oh yes, you said to write a page but I can't think of that much so I'll just say be a good girl and don't go to the Navy too fast. Remember me when you ride around in a red convertible.
